

## PRESS RELEASE

New Delhi, 28th December. The BJP Delhi Pradesh President Dr. Harsh Vardhan has said that the Congress has lost its moral right to rule at Centre because it has lost continuously in the elections in six States. The people of India have shown mirror to this anti people Government. Now the country wants to get rid of the Congress misrule. The people wants to hand over the reins of power to the development oriented and nationalist BJP.

He told that the days of Manmohan Singh, Sonia Gandhi and Rahul Gandhi are numbered. The people of Uttarakhand, Uttar Pradesh, Punjab, Gujarat, Himachal who were suffering due to the atrocities of Congress and price spiral have defeated the Congress. It has also been defeated in the local bodies elections in Maharashtra and Delhi. This series of defeat is a massage to the Congress that it should itself renounce power otherwise it will have to renounce besides losing its honour. The people of the country now want only development. Now the old drum of Congress is not worth beating.

The BJP Delhi Pradesh office bearers, senior leaders and workers under the leadership of Dr. Harsh Vardhan shall accord unprecedented welcome to the Sardar of Gujarat Shri Narendra Modi at the Delhi Airport tomorrow morning. It may be mentioned that Shri Modi is reaching Delhi for the first time after victory in Gujarat. The way in which the BJP-JD (U) alliance had routed the anarchic corrupt and anti people Laloo Government supported by Congress in Bihar, proves that the people of the country do not want the scamesters, people protecting criminals and the enemies of the country.

The BJP Pradesh President told that the people of Delhi shall goodbye to the Sheila Dikshit Government by defeating it in the forthcoming elections to Delhi Legislative Assembly next year. The BJP will come to power. It will free the people of Delhi from the atrocities of the corrupt and anti people Congress Government in the same way it is providing relief to lakhs of the people of the capital through the MCD.
